Healing Series (5 weekends during the year)

A yearlong healing workshop that will focus on learning specific healing techniques, (ex. total body chelation, ovary balancing, brain balancing, egg cleansing, etc.) and personal growth on many levels is being led by Gayle Franceschetti. Students are provided with a safe and secure environment where they can tap into innate healing abilities that we all possess. A new healing technique will be introduced each session as well as a review of the prior healing sessions that were done by the students between classes. Individuals will be provided with intuitive counseling in regards to both their personal spiritual journeys as well as their process in tapping into their innate gifts and healing abilities. (A year long commitment is required to sign up for this series.)

Dates: Friday January 15th (6:30pm-8:30pm) & Saturday January 16th (9:00am-3:00pm)
